The CancerCare Co-Payment Assistance Foundation is here to help.

Even with insurance, many patients are unable to afford their treatment.

We are a nonprofit organization that helps people being treated for cancer afford co-payments for chemotherapy and targeted treatment drugs. We provide this assistance to ensure patients' access to care and compliance with their prescribed treatments.

"AM I ELIGIBLE?"

To be eligible, you must meet certain criteria related to your diagnosis, treatment, and financial situation. You must also have insurance that covers a portion of the prescribed chemotherapy. Financial help is not available for radiation treatment or symptom management.

"HOW DO I APPLY?"

To find out if you are eligible for co-payment assistance, call us at:

866-55-COPAY
(866-552-6729)

Please have patient information ready when you call (see checklist on back).

IF YOU QUALIFY, WE'LL START THE APPLICATION PROCESS:

1 We send you two forms: one for you to fill out, and one for your doctor to complete.

2 Mail or fax the completed forms to CancerCare.

3 If you are approved for co-payment assistance, we will let you know how to access your award.

"WHAT IF I'M NOT ELIGIBLE?"

If we determine that you do not qualify for co-payment assistance, we will refer you to other organizations or patient assistance programs that may be able to help.
