Sewage Workshop

December 5, 2018

“Where a flush beats a full house”

Why Should I Attend?

This workshop meets the six continuing education hour requirement as set by the Ohio Department of Health (Ohio Revised Code 3701-29-03 (C) (5). This requirement is needed to renew your sewage installer, service provider, or septage pumper license.

Upon successful completion of the workshop, participants will receive a Certificate of Completion.

Workshop is designed for sewage installers, service providers and pumpers that are registered in Ashtabula County.

On November 28, 2018 we will open our registration to people that are registered with the Ashtabula County Health Department

Register Early for guaranteed seating.
