Friends,

Join us in bringing Remote Area Medical (RAM) back to Ashtabula County for a 3-day event, April 5-7, 2019! RAM will again bring free, high quality, dental, vision, and medical care for uninsured and under-insured people in our county!

The RAM 2018 clinic served 948 unique individuals providing \$481,725 worth of free care. Given the success of 2018's event, we anticipate this year's clinic to far exceed the success of last year and your help is needed.

Any monetary donation would be greatly appreciated as well as "in-kind" donations of goods or services to benefit the patients and event volunteers over the 3-day event.

Sponsors who donate \$1000 or more will be able to have their name printed in larger font on Volunteer T-Shirts being specially made for this event. Sponsorships of at least \$500 will get the donor's name listed in smaller font on the Volunteer T-Shirts.

Please complete the attached form and return as directed by March 1, 2019 to be eligible for inclusion on the T-shirts.

Thank you for your consideration and please feel free to contact me with any questions. I also encourage you to check out the link below or www.ramusa.org for further details on what this event will become right here in Ashtabula County!

Sincerely,

Pastor Steve Arsulic
