CREATED FOR YOU!

Compassionate. Sensitive. Knowledgeable.

It's what defines the staff at Elegant Essentials.

At Elegant Essentials, we specialize in personal, private fittings for breast prostheses & bras resulting from surgery due to breast cancer.

We also provide solutions for any woman uncomfortable with their everyday bras.

Medina (330) 723-8880

About Us

As a BOC-accredited facility, Elegant Essentials provides quality patient care for durable medical equipment services. Owner Shellie Graf hires staff "with heart," because that is something you cannot teach, and then develops them into expert fitters, medical receptionists, customer service representatives and whatever else is needed to take care of the patient—which often includes hugs.
