

Epidemiologist/PHEP Specialist

Job Announcement

The Ashtabula County Health Department announces an opening for a qualified individual to fill a full-time Public Health Epidemiologist-Emergency Preparedness Specialist position within the Ashtabula County Health Department.

The Public Health Epidemiologist Emergency Preparedness Specialist will assist the Public Health Emergency Preparedness Coordinator, Health Educator and the Director of Nursing in implementing public health programs of the Ashtabula County Health Department and Ohio Department of Health.

The Public Health Epidemiologist will coordinate disease investigations initiated by the Ashtabula County Health Department, and conduct Public Health Emergency Preparedness activities in Ashtabula County.

The successful candidate for this position may also work directly in nursing programs if the successful candidate has a nursing degree.

- Minimum Requirements:
- Bachelor's Degree in Health Education, Health Science, Public Health or Nursing required.
- Desirable Qualifications:
- Master's Degree in Public Health (concentration in epidemiology, health education or health policy desirable).

Deadline for submission of resume and cover letter is July 23, 2021.

Submit resume: Laura Steigerwald Administrative Assistant,
Ashtabula County Health Department,
12 West Jefferson St., Jefferson, Ohio 44047.
